NUWAUPIA

The reason why we keep the ashes with the gold dust in our homes or with us is to protect us from evils spirits, who try to haunt or reside in your home or persons in your dwelling; Your relatives or lovers, friends will protect you and your dwellings from any and all evil spirits, shadow beings or demons. It's good to keep some of the ash and gold on your personal altar. Once you all, build a central ***Mahkal*** *"Temple", have a place set aside for the urn and photo of the loved one, then there should also be a place to light a candle as you remember them and they will come to be with you for that moment of prayer or conversation.*

They will protect you and will come to collect you once you cross over, to go to our ***Nuwaupia****. It has been set up already since* ***1914 A.D.*** *to receive all those who passes from this earthly plane to the next. The others are there already, it is our paradise planet. It is* ***3,000,000*** *million miles away from the Earth and* ***90,000,000*** *million miles from the Sun. It has been seen by world governments in* ***1970 A.D.*** *As* ***Revelation 21*** *it speaks of a "new Heaven and New Earth". The* ***Nuwaubians*** *that cross over, leave by the south-east gate at* ***3:00 am*** *via a* ***Mabraq*** *"Illuminated Craft" to* ***Nuwaupia****. It takes the soul 3 earth hours to reach* ***Nuwaupia****, which is by* ***6:00 am****, as the sun appears to rise; Often times mistaken for* ***Venus*** *"as the morning star", becoming visible when unaligned. That put* ***Zihrat*** *"Venus" in it orbit, once every* ***365*** *Earth Days. You are unable to see it clearly, as* ***Nuwaupia*** *is in line with the* ***Points of LaGrange****. These points are where there exists a balance between the different forces that balance the pull between the earth, the sun and moon's the force of their orbits. You may catch a glimpse of* ***Nuwaupia's*** *shadow, during an eclipse;* ***Nuwaupia*** *also called* ***Bennet****. All those who have passed before are waiting for you there. What is most important is All Nuwaubians must concentrate on it, in their minds eye. As a person thinks, so it will be. A link must be made called a* ***Ṡarat****. "an Etheric Filament". This link must be made mentally to* ***Nuwaupia*** *as stated at death, the. Gold dust added with the ashes of each can be detected by* ***Baa-Nadjar-u*** *"The Overseers" with in* ***24*** *hours after the* ***Ruakh*** *takes the* ***Nasham*** *from the* ***Nafash****, leaving the* ***Nafash*** *to dwindle down into nothingness. All the persons, personally, created with their flesh body is not needed in their new Divine etheric being.* ***Paa-Mabraq*** *is the means of transportation from the South East Gate way around the sun and in a twinkle of an eye, you arrive at the haven. This is how it must be this is it will be. Only the original* ***144,000*** *will be there. That will multiply there.*
