

Lesson Feb, '22

These are the teachings for the next 24,000 year cycle that we entered in the year 2000 A.D. or better yet at the end of the last 24,000 years. The end of Adamite time of 6,000 years.

4 x 6,000 years equals 24,000 years or what is called an equinox, equal darkness before photons, which birthed 24 hours of day light, 'let there be *light*', "photons"

If only the Adamites really knew what is going on these days. I came down and tried to warn earth people yet the evils and wickedness of the children of Sin•Nan•Nar and their loss of soul has caused what is happening right now world over. Having a spirit and flesh is not enough. They are fading away day by day and most don't even know why. It's their cursed genetic markers, **Romans 5:12**, **Genesis 3:15**, **Genesis 6:6-12**. Corrupted by the Adamite seed of *Genesis 1:26*. I saw all this that is happening now many years ago. Soon this planet will be cleaned of the evil ones. It's not a matter of race, it's the last seed of the chimera hybrids, grafted and separated, that is being removed. Then I will depart Malachi's skin suit and return to Illiyuwn and to Marzaq, Rizq as a Murzaq-u. This planet is now breeding a need seed, the neutranoids, mixed seeds, which will make it hard to hate ones self and kind, kin. They will remove racism. Many are now here and will be born. So, the future has good news for planet earth and those on the dark side of the moon, the watchers can depart back to Rigel, southeast of Orion, the greys, who put the moon where it is today. So much you earthlings just don't know. They

said I'm crazy well now that the government has confirmed aliens, who is crazy now.

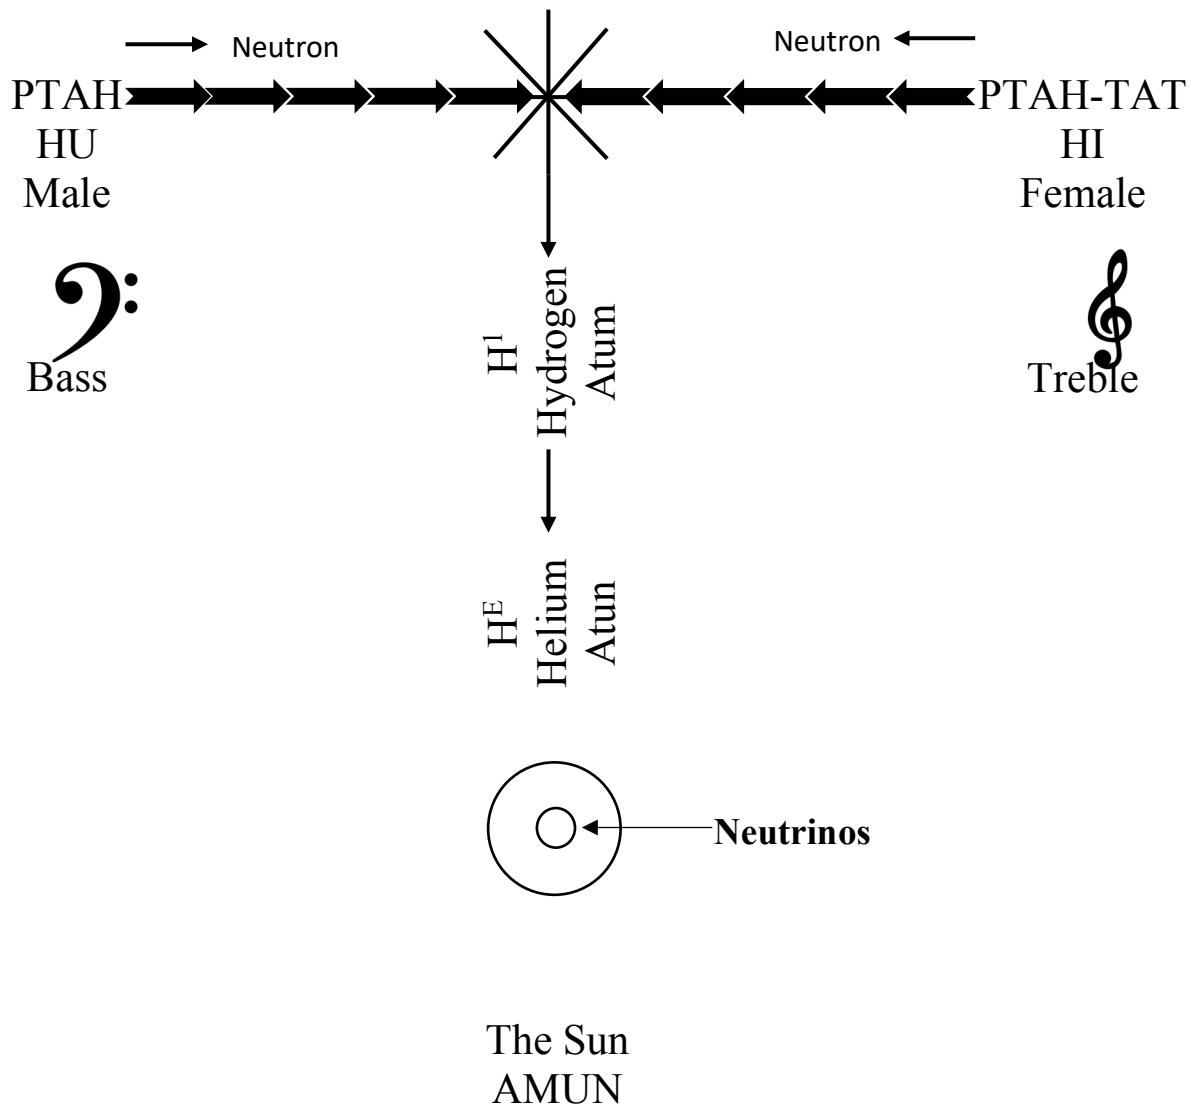

What you see now with the covid virus, plague is because of their love and need of money to remain in control. They opened up just to make money and now look at how many people are infected and the next game for money is 'how to sell a pill'. That is their next trick, giving free shots cost them too much. So now they came up with a new strain "*omnicron*", the 15th letter in the Greek alphabet. So next they will be selling pills so again, they can make money on people's lives even the children they sent back to open schools and the holidays, all for money. Look at New York on New Year's night, now most of the spread is in New York. Christmas: all about money. Thanksgiving: money. Halloween: money. They opened up much too soon and they know what they were doing, all for money. Without money they loose power and control. Think of the I.R.S., they lost money. The courts lost money. The traveling business lost money and they don't know how to live without it. They now live in fear, why? Because their American Negros are starting to come out and vote. That can change all government post. With more women and Negroid government offices as well as judges and millionaires now, Negros are making their own Cinemas, T.V. shows, and music videos. Think of all the money they can't get their hands on. So now they are trying to block Negroid voting yet, it is really too late for them or those of them who pretend they are not racist and really are.

Over the years from 1970 A.D. I have given so much outformation, it is about time I depart for home. You see, I as Nin-Gish-Zidda was here on earth, which is there in Nibiru when the word was spoken by ANU, *It's okay to make a kind of man, Adapa (Adam), from the DNA of Enki (Yahweh) and Cuth* 6,000 years back from 2000 A.D. or 4000 B.C., **Genesis 1:26, Genesis 1:3.**

Know this, light is only an illusion of tiny photon particles while darkness is real. Lights must be ignited in darkness and will fade in time, **Genesis 1:4-5.** The sun will burn out back into darkness, **Psalm 18:11.** So their אלהים Elohim, *deities of power*, dwelled in darkness and when it was אמר Amar, *Amr* "commanded" 'Let there be Fire, Sun', the only lights known 6,000 years ago, **Genesis 1:14-19.** Sun, moon and know that stars are suns. Now note **Genesis 1:17 Hebrew Strong's #5414 נתן Nathan**, "Set" put them there. So the sun and the moon were first made then placed where they are, exactly the appointed distances away from this planet earth. Yes, they were fashioned and then moved into place to serve an exact purpose.
