

Study 2

It was no coincident that the U.S.A. government on the 25th/June/2021 A.D. announced and made public to the whole world that U.S.A.'s, as they now call U.F.O.'s, are real and are here and have been for a long time. Note the date they'd chose, 25th/June/2021 and I was born 12:00 midnight 26th/June/1945 A.D.

They know who is with us, the Aliens who have been teaching us for years. I remember my very first abduction. It was in 1952 A.D. and I was just 8 years old. That's when I first saw the greys. The next time was in 1957 A.D., the same Greys only there were four of them and I was given names and origin, from a star system South-East of Orion with a space station at Orion's belt, gate keepers. After then, the real overlords came to me, **Murzaq-u** "*Rizqians*" from Illiyuwn, a three sun system.

Figure 1: Murzaq-u "Rizqians" Yaanuwn, Raazuwn, Zaanuwn, Zaakuwn

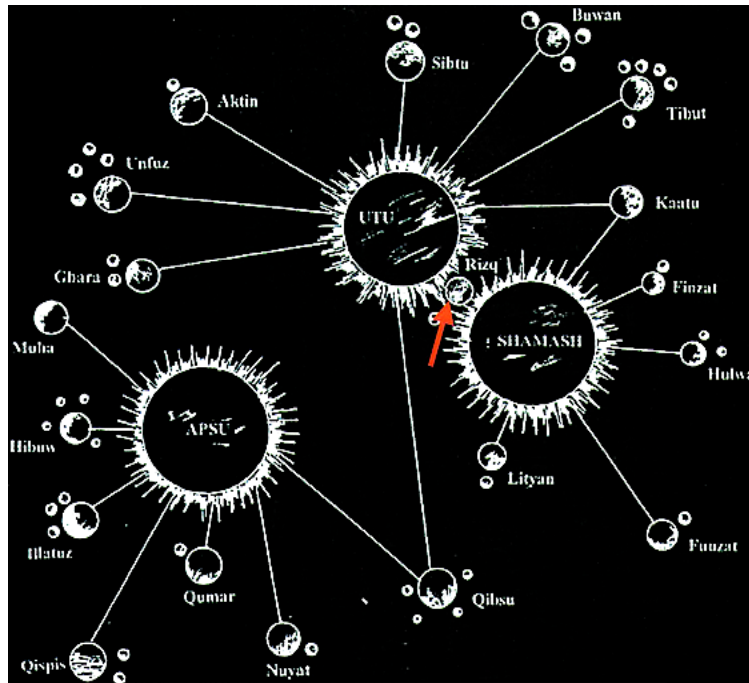

Figure 2: The 19th Galaxy Showing the 8th Planet Marzaq "Rizq"

Now that the U.S.A. government confirms U.S.A., U.F.O.'s are real, all those who stated we were nuts have to eat their words. Look up that report. Yet, think of all the religious people who now have to come to the reality that they have been worshipping E.T.'s all their lives like the bible says, Jesus by whatever name was taken up, *Luke 24:51*

Luke 24:51

*51. And it came to pass, while he (Jesus) blessed them he (Jesus) was parted from them and carried up into Greek Strong's #3772 οὐρανός **Ouranos** "Orion", heaven.*

So someone, ones, took him up by way of something that carried him up and away, also in **Acts 1:2**

2. Until the day in which he (Jesus) was taken up...

Also in **Acts 1:9-10**

9. And when he (Jesus) had spoken these things, while they beheld, he (Jesus) was taken up and a cloud received him (Jesus) out of their sight 10. And while they looked steadfastly toward, Greek Strong's

#3772 οὐρανός, **Ouranos** “Orion Star System”, Heaven. As he (Jesus) went up, behold two men stood by him in white apparel (two E.T.’s, Aliens)

So it’s clear, Jesus was taken up, went up by way of some flying craft that came down with two men dressed in all white. This is also in the Muslims book, the Quraan 4:158

Quraan 4:158

“158. Rather Allah (the God) raised him (Jesus, Isa) to himself...”

And Jesus himself told his people that he was an E.T., extraterrestrial, alien which is found in *John 3:31* and *John 8:23*

John 8:23

“23. And he (Jesus) said unto them, Ye (Adamites) are from beneath (Earth); I (Jesus) am from Hebrew Strong’s #507 ἄνω, anō ANU (the most high heavenly father) above: ye (Adamites) are of this world (Planet Earth); I (Jesus) am not of this world. (Planet Earth)”

So, he made it clear where he was from and that ANU the Sumerian most high sent him down to planet Earth from Orion star system and took him back up to Orion star system to be with him. He was taken up in the glory of the Yahweh (Lord) *Hebrew Strong’s #3519 כַּבֹּד Kabowd* as well as in *Ezekiel 3:12, Ezekiel 9:3*, and it is clear that they flew, *Ezekiel 10:4, 18-19* and *Ezekiel 11:22-24*. So, it’s clear these Cherubim were Aliens. You may call them angels, pure spirits, holy ghost, whatever yet the Bible and Quraan makes it clear that they were extraterrestrials, aliens, E.T.’s and now the U.S.A. government has, on 25th/June/2021 A.D., confirmed what they are.

READ: US intelligence community's unclassified report on UFOs

By CNN

Updated 2108 GMT (0508 HKT) June 25, 2021

(CNN) — The US intelligence community on Friday [released its long-awaited report](#) on what it knows about a series of mysterious flying objects that have been seen moving through restricted military airspace over the last several

Figure 3: CNN Article Released 25, June, 2021 Discussing Government Report on UFO's

OFFICE OF THE DIRECTOR OF NATIONAL INTELLIGENCE

Preliminary Assessment: Unidentified Aerial Phenomena

25 June 2021

Figure 4: Preliminary Assessment Released 25, June, 2021

But Some Potential Patterns Do Emerge

Although there was wide variability in the reports and the dataset is currently too limited to allow for detailed trend or pattern analysis, there was some clustering of UAP observations regarding shape, size, and, particularly, propulsion. UAP sightings also tended to cluster around U.S. training and testing grounds, but we assess that this may result from a collection bias as a result of focused attention, greater numbers of latest-generation sensors operating in those areas, unit expectations, and guidance to report anomalies.

And a Handful of UAP Appear to Demonstrate Advanced Technology

In **18** incidents, described in **21** reports, observers reported unusual UAP movement patterns or flight characteristics.

Some UAP appeared to remain stationary in winds aloft, move against the wind, maneuver abruptly, or move at considerable speed, without discernable means of propulsion. In a small number of cases, military aircraft systems processed radio frequency (RF) energy associated with UAP sightings.

The UAPTF holds a small amount of data that appear to show UAP demonstrating acceleration or a degree of signature management. Additional rigorous analysis are necessary by multiple teams or groups of technical experts to determine the nature and validity of these data. We are conducting further analysis to determine if breakthrough technologies were demonstrated.

UAP PROBABLY LACK A SINGLE EXPLANATION

The UAP documented in this limited dataset demonstrate an array of aerial behaviors, reinforcing the possibility there are multiple types of UAP requiring different explanations. Our analysis of the data supports the construct that if and when individual UAP incidents are resolved they will fall into one of five potential explanatory categories: airborne clutter, natural atmospheric phenomena, USG or industry developmental programs, foreign adversary systems, and a catchall “other” bin. With the exception of the one instance where we determined with high confidence that the reported UAP was airborne clutter, specifically a deflating balloon, we currently lack sufficient information in our dataset to attribute incidents to specific explanations.

Airborne Clutter: These objects include birds, balloons, recreational unmanned aerial vehicles (UAV), or airborne debris like plastic bags that muddle a scene and affect an operator’s ability to identify true targets, such as enemy aircraft.

Natural Atmospheric Phenomena: Natural atmospheric phenomena includes ice crystals, moisture, and thermal fluctuations that may register on some infrared and radar systems.

USG or Industry Developmental Programs: Some UAP observations could be attributable to developments and classified programs by U.S. entities. We were unable to confirm, however, that these systems accounted for any of the UAP reports we collected.

Foreign Adversary Systems: Some UAP may be technologies deployed by China, Russia, another nation, or a non-governmental entity.

Figure 5: Page 5 of Preliminary Assessment Released 25, June, 2021

Other: Although most of the UAP described in our dataset probably remain unidentified due to limited data or challenges to collection processing or analysis, we may require additional scientific knowledge to successfully collect on, analyze and characterize some of them. We would group such objects in this category pending scientific advances that allowed us to better understand them. The UAPTF intends to focus additional analysis on the small number of cases where a UAP appeared to display unusual flight characteristics or signature management.

UAP THREATEN FLIGHT SAFETY AND, POSSIBLY, NATIONAL SECURITY

UAP pose a hazard to safety of flight and could pose a broader danger if some instances represent sophisticated collection against U.S. military activities by a foreign government or demonstrate a breakthrough aerospace technology by a potential adversary.

Ongoing Airspace Concerns

When aviators encounter safety hazards, they are required to report these concerns. Depending on the location, volume, and behavior of hazards during incursions on ranges, pilots may cease their tests and/or training and land their aircraft, which has a deterrent effect on reporting.

- The UAPTF has 11 reports of documented instances in which pilots reported near misses with a UAP.

Potential National Security Challenges

We currently lack data to indicate any UAP are part of a foreign collection program or indicative of a major technological advancement by a potential adversary. We continue to monitor for evidence of such programs given the counter intelligence challenge they would pose, particularly as some UAP have been detected near military facilities or by aircraft carrying the USG's most advanced sensor systems.

EXPLAINING UAP WILL REQUIRE ANALYTIC, COLLECTION AND RESOURCE INVESTMENT

Standardize the Reporting, Consolidate the Data, and Deepen the Analysis

In line with the provisions of Senate Report 116-233, accompanying the IAA for FY 2021, the UAPTF's long-term goal is to widen the scope of its work to include additional UAP events documented by a broader swath of USG personnel and technical systems in its analysis. As the dataset increases, the UAPTF's ability to employ data analytics to detect trends will also improve. The initial focus will be to employ artificial intelligence/machine learning algorithms to cluster and recognize similarities and patterns in features of the data points. As the database accumulates information from known aerial objects such as weather balloons, high-altitude or super-pressure balloons, and wildlife, machine learning can add efficiency by pre-assessing UAP reports to see if those records match similar events already in the database.

- The UAPTF has begun to develop interagency analytical and processing workflows to ensure both collection and analysis will be well informed and coordinated.

The Christian world's Jesus or *Matthew 1:23* Emmanu-EL, an EL ܐܠ God “*God is with us (Adamites)*” said of himself that ANU, the Sumerian most high God sent him and you see this in *Luke 1:31-32*, *Psalm 82:6* and “The Most High God” is also another attribute of the Muslim's own Allah in *Quraan 87:1*, Glorify the Name of your Lord/Master الأَعْلَى Al-Aa'lay, “the Most High”.

They will have to face the Actual Facts. They really have been worshipping extraterrestrials, aliens recorded on the Sumerian Stone Tablets as in *Quraan 85:21-22* فِي أَفْحٍ مَّحْفُوطٍ “*In guarded stone tablet, slate, stone*”. The Sumerian Stone Tablets which now reveal the true story of Adamites and their 6,000 years on earth.

Figure 7: Carving of Enki, Enlil, ANU and other Extraterrestrial Beings in Mesopotamia

Figure 8: One of Many Sumerian Stone Tablets Uncovered in 1929

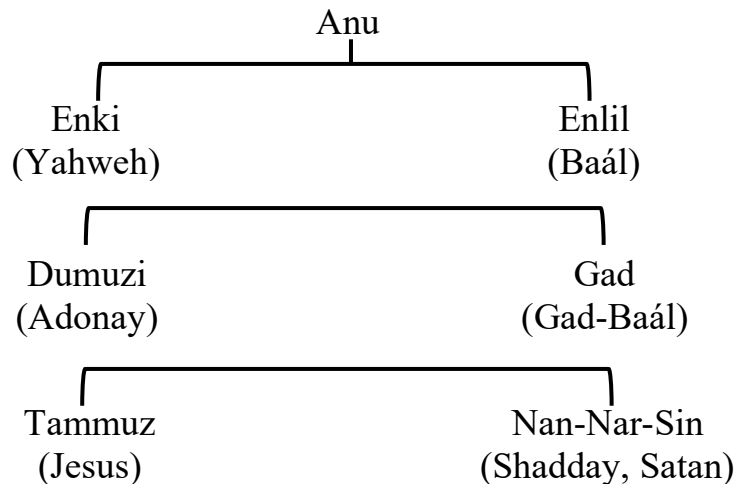

ANU “The Most High”

Hebrew Strong's #5945 עליון Elyown

Genesis 14:20, Deuteronomy 32:8, Hebrew Strong's #5946,
Hebrew Strong's #5943

Psalms 82:1-2

The father of the Hebrew Strong's #430 אלהים Elohim or Anunnaki
Hebrew Strong's #6062 אנקי Anaqim, Anaki Genesis 6:1-5, Sons of Elohim

These are their Sumerian names on the Stone Tablets uncovered in 1947 A.D. in Iraq, *Genesis 10:10-12*; Iraq is Erech. Now the Stone Tablets are translated and expose the real stories of the Adamite hy-breeds who made them; where and when. No more religious fictions. We Sabaeans now have the facts and have one of them, **Nin-Gish-Zidda**, speaking with us by way of **Malachi Zodoq Kobina Yorke**. You know me by many spirits who speak through me to you with the Actual Facts of these, their end times. Look at them now, the children of the devil which is what their own Jesus called them in *John 8:44*. He was speaking about, *Luke 3:23-38*.

Also if you look at the stone statues of those found on Sumerian stone walls, those found on the Stele Stone of Hammurabi of Shamesh and those found on walls in Persia, Iran, you will notice they are all the same humanoid beings, the same Anunnaki by different names, by different tongues yet, the same giants who came down to earth and to the same people, Cro-Magnons to Neanderthals; Europeans.

Figure 9: Stele Stone of Hammurabi of Shamesh

They did not come to the Homo-Floriensis to Denisovans (Asians). Not to the Homo-Naleti to Homo-Habilis (the Negroids, Africans); only to the Europeans of south and middle Europe who have now moved southward to the Middle-East, France, Portugal, Spain, Morocco, Germany, Italy, Algeria, Tunisia, Ireland, Scotland, London, Israel, Poland, Libya, Egypt, Greece, Turkey, Syria, Ukraine, Siberia, Jordan, Iraq, Saudi Arabia, Iran, Afghanistan. Euro-Americans.

Figure 10: From Left to Right, Neaderthal Male - Cro Magnon Female (Europeans)

Figure 11: From Left to Right, Homo-Floriensis to Denisovans (Asians)

Figure 12: From Left to Right, Homo-Naleti to Homo-Habilis (the Negroids, Africans)

These are your Adamites who took over the Anunnaki teachings and changed them, plagiarized them from the Sumerian Stone Tablets and created new religions and new tongues, rituals, rites, holy days, dress, and diets.

It all started when Thothmose, who was later called Moses, who gave them their laws of Sin-Nan-Nar אל-שדי **El-Shaday**, father of ה-שדים **Ha-Shadim**, the devil and now after 4,000 years of laws, *John 1:17* from *Exodus 24:12*. So before Moses came out of Egypt with what he learned about civilization, *Acts 7:22-23* yet his people were taken into Babylon by Nebu-Chad-Nezzar, *2Kings 24:1*, a Sumerian who lived by the Sumerian Stone Tablets. While under them and then later the Persians, *Ezra 1:1-11* and *Esther 1:1-2* (All of the chapters of the book of Esther); by the time the Israelites were free, they used the religions of Egypt, Persia, Babylon and created their new religion that became known as Judaism, Chritianism and Islamism which are in fact all the same people. The Adamites, most, don't even know

their real roots or origin of their religions or cultures and all are looking for the aliens to come or return. Messiah means to “wipe clean”.

Look at this: Hindu’s call him **Mitra**, deity of light a truth, joy, love, and life onto Zoroastrianism, they call him **Mithra**, deity of heavenly light, the sun, justice, and order onto Hebrew *Hebrew Strong’s* #4899 מָשִׁיחַ **Mashiyakh**, a man who is to come and save the Israelite religious people, not a race, a religion of any race of people who accept the laws of Moses; on to Christians *Hebrew Strong’s* #3323 Μεσσίας **Messias** a man who has come and left and is to return to save Christians, not a race, its only a religion of people who follow the new laws of Saul “Paul” a self-claimed follower of Jesus of 2,000 years ago. Now, onto Islamism of Muslims, a Christian sect, *Quraan* 3:45 مَسِيح **Masiyh**, a man who is to return to save Muslims which is not a race, only a religion of anyone who accepts the new laws of Abu-Bakr the first self-claimed successor of Mustafa Muhammad Al-Amiyn who claimed he followed the religion of Abraham (Ibrahim), *Quraan* 2:130-136.

Figure 13: Mithra, Zoroastrian god of light

They are all the same. Now that they spread their own religion worldwide, many people that it was not intended for accept it with blind faith and belief, not knowing it is not for them and the aliens who made Adapa (Adam) and TiTi (Eve) are not coming to save Asians, Indians, or Africans, they only come for their own, *John* 1:11, and who was his own? *Luke* 3:23-38, Adamites only, *Luke* 19:14. They

rejected their saviour 2,000 years ago. Muslims have made up new books outside the Sunna/Allah to Sunna/Muhammad's Hadith and many others so now their end is upon them all. After 6,000 years of existence and 4,000 years of laws they refuse to obey and follow, can the children of the devil be civilized? No, not now-a-days. Why not? It's much too late for them after the year 2000 A.D. which was the end of their 6,000 years. From 4000 B.C. to 2000 A.D. equals 6,000 years; the end of their dominion, *Genesis 1:26-28*, *Genesis 6:1-6*. And what is said of the first one, Adam? *Roman 5:12*

Roman 5:12

12. Wherefore, as by one man (Adam) sin entered into the world, and death by sin; and so death passed upon all men (Adamites), for that all (Adamites) have sinned:

Why do I point out only Adamites and not the whole world? Because the law of Moses was only for his own people, Adamites, *Luke 3:23-38* and even for the Muslims, *Quraan 2:30-37*. The Anunnaki (Angels) asked Allah (The god of Enki)... "will you (Allah) place upon it (earth) one (Adamite) who causes corruption therein and sheds blood..." Again, you see it in *Genesis 6:9-12*, they did become corrupt.

Now look at the world over the past 6,000 years right up to now. Who is behind all wars, killings, rapes, drugs, and alcoholism? Look at the cinemas they make, that is what they think. Well, truth be told all you have to do now is stay out of their way as they bring it all down as their book of Revelations teaches.

Figure 14: War in Vietnam, Jeffery Dahmer, Drugs and Alcohol

Truth is Truth
BaBaa Yaanuwn

Stop saying the planet earth is ruled by intelligent life. People who war and kill are not intelligent. Intelligent people don't war and kill.

Correction of the term “Indian”

When I said Indians, I mean South-Eastern people who migrated there from Africa, later raped by Europeans called Indo-Europeans

When I say American Indians, they are not related to South-Eastern people, they are Asians who sailed to these shores and settled as well as from Polynesia:

POLY = MANY

N-ESIA= OF ASIA

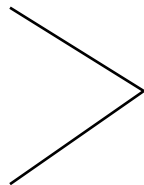

As you see with Indo-nesia (Indian Asians) or Malaysia (Malay-Asians) showing mixed seeds of Indians and Asian.

The American so-called Indian tribes are nothing more than Asians, Chinese Koreans, and Japanese who sailed here. They mixed with the Africans from Mali who also sailed there before them. Yet, DNA now separates all the many sub-races into only 3 groups.

Africans

Asians

Europeans

NOT GENETICALLY RELATED AT ALL

(only by rape and mixing)
