Nuwaubian Sabaeans of

Paa Munbab: Yaanuwn

Wu-Šabai

2004 A.D.

**Question:** Munbab: Yaanuwn, just what or who is Allah or Yahweh?

**Answer:** Well, let me first point out this Actual Fact to you all that being after the death of Muhammad, those Persians who took over changed what he taught and started with changing the pre-Islamic Arabic for their own version which is now being used by the Islamic world.

**Question:** How is that?

**Answer:** Well their Quraan ordered Muhammad that if he had any doubt about the meanings of any words in the Quraan, he was to refer to the Hebrew books before the Quraan being that Arabic is only a dialect of Hebrew because Ishmael *Genesis 16:1-15* was the son of Abraham, the first Hebrew *Genesis 14:13*. So Muhammad was told *Quraan 10:94*, which those after him ignored and the very first word that they removed from the original Arabic was the word ‘it’, found in Hebrew

שֶׁם זֶה אֲשֶׁר **Shem Zeh Asher** “*It is there*”. The word זֶה, originally ancient Canaanite which became Hebrew אֵל **Z-H**, “*it*”, was removed from Arabic for fear of being asked this very question: What is Allah? Not who yet, what is it?

**Question:** So you’re saying Allah is an it?

**Answer:** Yes, and that ‘it’ is a physical person, a man in flesh and not just one yet many as the Quraan points out by the word **آلِهَة Aalihah** “Allahs” plural or in Hebrew as **אלוהים Eloahs**, plural. So they removed the word “it” and replaced it with **هو Huwa** “he” or **هي هي** “she”. For it is defined as “the animal, human or thing, something that exist”. They had replaced words with their own new meanings to have Islam compatible to their own Zoroastrianism beliefs, the religion of the Persians who took over. They changed the original Quraish Arabic as well as the meaning of words.

**Question:** What about *Quraan* 2:3 where it states Allah is unseen?

**Answer:** Well in fact that is one of the words of which they changed the original meaning. First, to say unseen in Arabic you say:

غير منظور

**Ghayr Mandjur**

Unseen

مُسْتَوْر

**Mustuwr**

Unseen

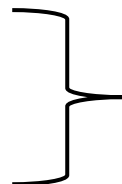

Yet the word you see in *Quraan* 2:3 is **غَاب Ghaab** “absent”. Was here physically yet not here right now in these forms

غَائِب

مُتَغَيِّبٍ

تَغَيَّبَ

غِيَاب

All forms of absent

Absence

And in the *Quraan* 2:3 this is what you really see:

بِالْغَيْبِ

Bil Ghaybi

By way of he who is  
absent

يُؤْمِنُونَ

Yuwminuwna

They trust believe

الَّذِينَ

Allazhiyna

Those who

It does not say those who believe in the unseen or who believe in the unseen or a being that is not able to be seen. It clearly states he was there yet, is not there then

or absent now. And *Quraan 4:34* confirms this as that womens husband being absence physically she is still devout.  
And you see the use of:

Absence

الْغَيْبِ

Lil Ghaybi

And in *Quraan 72:26* it is mistranslated again as unseen yet should be as الْغَيْبِ  
**Al-Ghaybi** “the Absent one” and its cleared by what the complete verse is saying.  
If read with the real true Arabic meanings as it reads in *Quraan 72:26*

أَحَدًا	غَيْبِهِ	عَلَى	يُظْهِرُ	فَلَا	الْغَيْبِ	عَلِمَ
Ahadaan	Ghaybihi	Alay	Yudzhiru	Falaa	Alghaybi	Aalimu
Any One	While he is absence	On	He reveals	So does not	Of the absent one	He is knower

**(26)** He is knower, the absent one, so he does not reveal to anyone, anything while he is absent.

That is, he must be right there to reveal or teach someone. As you read, he taught Cain face to face, *Genesis 4:6-9*, and taught Adam and Eve face to face in the garden, in person, *Genesis 3:8-13*. Also, to Abraham, *Genesis 18:1-8*. He walked up to him, even ate meat with him. So, Yahweh who is Allah or Rabb was in physical form as a man who left when finished, *Genesis 18:13-14*. He left Abraham and said, ‘I will return’. He would be absent yet; he was physically seen.

**Question:** So Master Teacher you’re saying Allah or Yahweh, G-D was here on Earth physically as a person?

**Answer:** That is what the old testament, the new testament, the Quraan and the book of Mormon say and in actual fact not just one, but many for the word الله **Allah** in *Quraan 1:1* is single yet you also find two Allahs in *Quraan 5:16* and many Allah’s. It’s the translators who seek to deceive you by translating إله **Ilah** as Illah and الله as Allah yet when it comes to *Quraan 5:16* you see إِلَهِين **Iliahayn** - two Allah’s. They say two G-D’s or many other places such as, *Quraan 7:138* إِلَهِة **Aliahat** “Allahs” more than one. Yet, they say G-Ds to avoid saying two Allah’s or Allahs, that is deception. And in *Quraan 3:26* you see اللَّهُمَّ **Allahuma**. They have no idea what it translates to so they just put “oh Allah” which in Arabic

would be **يَا الله Ya-Allah, O Allah**. So, they just lie to you in most translations when in actual fact, if they follow *Quraan 10:94*, they would see this

Arabic	اللَّهُمَّ	Allahuma
		is
Hebrew	אלהים	Alahym

Is the exact same root lettering and means Allahs or Eloahs, plural. All of you Nuwaubians Sabeans are G-D's, Eloahs, Allahs. Deities in flesh, just re-read you will see their own bible says in Genesis 1:26 that the man Adam was made in the image (looks like) and likeness (acts like) their G-D, Yahweh and Genesis 1:27 and he was a physical flesh and blood man. Most don't know that in the Sunni Islaam of the Persians, they also make a similar claim in their hadith. Allah created Adan according to his form, his size being of sixty cubits- Sahih Hadith So Allah had a physical form And the Quraan says this of Allah

Quraan 2:210	He will come in a cloud to Earth
Quraan 2:255	He has a physical seat he sits on
Quraan 3:28	He is a self, spirit- Himself
Quraan 4:158	Allah in person
Quraan 5:64	He has hands, physical hands
Quraan 5:116	He is a 'yourself'
Quraan 6:19	He is a thing
Quraan 7:54	He is on a seat in outer space
Quraan 61:8	Allah is a photon
Quraan 66:12	Allah has a soul
Quraan 68:42	Allah has legs
Quraan 75:23	People in heaven will see Allah
Quraan 89:22	L-RD can come

Allah has body parts as all other human beings.

The Quraan, over and over also says Allah was here on Earth then rose up to his throne in the heavens above, *Quraan 17:1* tell you when Muhammad was taken up to heaven and today they don't see, *Quraan 75:7* بَرِّقَ **Bariqa** “dazzled, he riding” بُرَاق **Buraaq** they claim was a Gryphon animal, a white animal. That is because they refuse to learn Hebrew and read the bible or they would see *Hebrew Strong's #1299-1300* בָּרָק **Baraq** “flashing, bright, glitter, lightening, bright metallic shining object”. He was flown up to heaven in a craft. The bible also calls *Hebrew Strong's #3519* כַּבֹּד **Kabowd**, a flying craft. Look at *Exodus 33:11-23*, in verse 18 you see the glory *Hebrew Strong's #3519* כַּבֹּד **Kabowd** “the craft”. Also you see in *Ezekiel 1:28*, *Ezekiel 3:12-13*, they took him up, *Ezekiel 3:23* and it flew up, *Ezekiel 11:22-23*. All they would have to do is read and they would know Muhammad was flown up in a U.F.O. and the same for Elijah, *2Kings 2:9-11* and the same for Jesus, *Luke 24:51* and *Acts 1:9-10*. Each of them were taken up in a craft just as was all in the Quraan, flying in a craft called his throne, *Quraan 10:3* and *Quraan 13:2* and *Quraan 20:5* and his throne or craft moves, *Quraan 2:210*, *Quraan 39:75* and they fly it. That is, the throne of Allah can move, *Quraan 40:7*, just as in *Revelation 21:1-27*. So its clear that Allah or Yahweh is an alien, extraterrestrial who came to Earth in a physical form as a man, flesh and blood and is seen face to face by those who are allowed to recognize him. There is no spook G-D طَيْف **Tayif**, ghost شَيْخ **Shabah**, apparition ظُهور **Tahuwr**. Stop just accepting what they tell you to believe. It is fantasy, fiction and faith with no proof. As you have just studied jewels of my eyes, الإله Al-Ilah, الله Allah, אֱלֹהִים Eloah, אֵל EL, רַב Rabb, رَبِّ Rabb, are آلهة Aalihah, Allah's, אֱלֹהִים Elohim, deities and that is none other than the original black man and woman, The First Ones.

So according to Jewishism, יְהוָה is a physical man  
*Genesis 18:1-2*, *Quraan 11:69* **Yahweh** *Hebrew Strong's #3068*

According to Christianity يسوع is a physical man  
*John 1:13-14* **Jesus** *Greek Strong's #242*

Quraan 7:143	Moses saw Allah	According to Islamism <u>الله</u> is a physical man <i>Quraan 2:255</i> هُوَ <b>Huwa</b> , he, a male
Quraan 11:37	Allah has hands and eyes	
Quraan 36:71	Allah has hands	
Quraan 38:75	Allah has hands	
Quraan 39:56	Allah has a side	
Quraan 42:11	Allah is a thing	
Quraan 43:84	Allah dwells in the sky and on Earth	
Quraan 55:27	Allah has a face	

**Question:** Master Teacher you listed a long list of body parts of Allah in Quraan yet did not do the same for Yahweh in the Bible?

**Answer:** You are correct so here,

*Genesis 18:1-8* Yahweh is a *Hebrew Strong's* #582 אֲנֹכִי **Enowh**, Man  
Men in bible, *Genesis 5:6-7* Same word used in *Genesis 18:2*

Genesis 19:13	The lord has a face
Exodus 33:11	The lord has a face
Exodus 31:18	The lord has a finger
Psalms 10:12	The lord has hands
Psalms 18:8	The lord has a nose
Psalms 18:9	The lord has feet
Psalms 33:18	The lord has eyes

So, you can see the body parts are also found in the bible.

What Sunni Orthodox Muslims will never tell you is that they have Hadith they call **Saheh** “right” that states the Arabian prophet Muhammad himself said in *Quraan 53:1-18*, Moses saw Allah physically just as Muhammad did *Quraan 6:19* where you see the word شَيْء **Shayun** “a thing” used for Allah. Something *Saheh Bukhari, Chapter 21* supports by saying this:

(21) Chapter: The statement of Allah (ص)

Say (O Muhammad): What thing is biggest witness in evidence, say Allah (6:19). So Allah calls himself a thing; the prophet (ص) calls the Quraan a thing: and it is one of the qualities of Allah. And Allah said: Everything will perish except his face (28:88)

Also, *Saheh Bukhari vol.8 book 74 #246*

(246.) Narrated Abu Hurairs (ص) the prophet (ص) said, Allah created Adam in a picture image of himself, (1) sixty cubits (about 30 meters) in height. When he created him, he said [to him], “Go and greet that group of angels and listen what they will say in reply to you, for that will be your greeting and the greeting of your offspring” Adam [went and] said, “As-Salaamu Alaykum (peace be upon you all)”

So Adam was created in a (صُورَة) **Suwarat** picture of him (Allah) just as the bible says, *Genesis 1:26-27*. Allah was a physical man just as Adam was a physical man. Also they recorded this of the Arabian prophet Muhammad

The messenger of Allah said: “I saw (my Rabb) in his most beautiful form as a شاب “young man” with his hair to his earlobes, sitting on the throne of grace,

*around him a gold carpet. He put his hand between my shoulders and I felt its coolness in my liver, he spoke to me, etc.. ”*

So prophet Muhammad saw Allah as a physical person who spoke to him and even touched him physically. So in actual fact all of you are Allah's, Yahweh's as stated in *Psalms 82:6* and *John 10:34-35* and there is always one among you that is the supreme being.

**Question:** So what is Allah or Yahweh's job?

**Answer:** When an Allah or Yahweh comes to a people, he raises amongst them  
Messengers  
Prophets

And he rose 124 prophets up to Muhammad's time and 315 messengers for the Adamite seed.

**Question:** So he was the last prophet and messenger to the whole world?

**Answer:** No, No, No not at all. If they would read the Quraan in Arabic it clearly states that Muhammad was only sent to his own people in and around Mecca, *Quraan 3:96*, *Quraan 42:7*, for his own people Arabian Arabs, *Quraan 3:164*, *Quraan 7:203*, *Quraan 10:47*, *Quraan 14:4*, *Quraan 26:214*. He was only a prophet/messenger to his own kindred.

**Question:** But the *Quraan 33:40* says he was the last prophet right?

**Answer:** Well, let's look at it word for word

مَا	كَانَ	مُحَمَّدُ	أَبَا	أَحَادٍ	مِنْ	رِّجَالِكُمْ	وَلَكِنْ	رَّسُولَ	اللَّهِ
Maa	Kaana	Muhammadu	Ābaa	Ahadin	min	rijaalikum	walaakun	rasuwla	Allahi
Not	was	Muhammad	father	anyone	of	You all	but	Sent by	The
						males			Deity
وَ	خَاتَمَ	النَّبِيِّينَ	وَ	كَانَ	اللَّهُ	بِكُلِّ	شَيْءٍ	عَلِيمًا	
Wa	Khaatama	An-Nabiyyina	wa	Kaana	Allahu	Bi Kulli	Shayin	Āliymaan	
and	Birth mark	The news	and	was	The deity	By way	things	A knower	
	or stamp	bearers,				of all			
		prophets							

So it really says Muhammad was born with a birth mark to reveal him as one of the news bearers or one who will receive a book for his own kindred.

This can be found in Arabic as خاتم النبوة **Khaatimun-Nabuwah**. The seal or mark, stamp of prophecy. The term used for the large mole or fleshy protuberance on Muhammad's back which is said to have been a divine sign of his prophetic office. Abdu'llah Ibn Sarjis describes it as being as large as his closed fist with moles round about it. Abu Ramsah wanted to remove it but Muhammad refused saying "the physician thereof is he who placed it there."

**Question:** So he was not the very last to all humanity?

**Answer:** Well look at it this way, he may have been the last prophet, to whom the Quraan states he was sent to Arabic speaking Arabs who spoke his own Quraish Arabic tongue and dialect, *Quraan 19:97*, his own tongue. And look at it this way **Nuwaupian Sabaeans of Wu-Šabat**, if they claim that he was the last person that was a prophet and the Quraan was the last book then it is all disproven by the actual fact that he died 8<sup>th</sup>, June 632 A.D. in Arabia yet we cannot pretend or ignore these facts. **The Sikhs** came after him in 1469 A.D. in Panjab in India. Its founder, **Nanak**, received a divine scripture worshiped by his millions of followers worldwide, they have their own language, temples, dress, laws and he and they are real and came forth after Muhammad. So, the Islamic claim would make the Quraan wrong.

Also there are **Mormons** who came after the Sikhs and Islam in 1830 A.D. in America. Its founder prophet **Joseph Smith Jr.** He received a divine scripture from an angelic being named Moroni who gave him a golden scripture. He could not read so this being translated it for him, and it became The Book of Mormons. He has millions of followers' world over, churches and laws. So again, this is an actual fact, they exist and that will mean the Quraan is wrong if it claims that the last prophet and last book to all people was Muhammad and his Quraan. So no, he was not the last prophet. Many came after him to their own people speaking their own tongue with their own scripture book just like **Prophet: Noble Drew Ali** and the **Messenger: Elijah Muhammad** and the Allah with you now not raising one prophet or one messenger yet, many called Nuwaubians from نُبُوَّة **Nubuwah** "Prophecy". You all are those I raise to teach. It was prophecy and that in the end days of the Adamites cursed seed of Canaan, the Tama-hu you will see the Master 𐤓𐤁 Rab رَب Rabb from 𐤎 Nabab "Master" in person yet as their bible says giving you his name, **Malachi**, which means "my angelic being". Read bible book *Malachi 4:1-6*, he will appear as the sun of righteousness- **Malachizedoq**. During the time that the Elijah is here, *Malachi 4:5*. He had to come first with the pure spirit person, the comforter, *John 14:16-27* الْمُعَزِّي **Al-Muāzziy** "The Comforter" who the Elijah called فَادٍ مُحَمَّدٍ **Maulawi** (Master). Wali "One who is very near", Fāad "Saviour", Muhammad "One who is worthy of gratitude". **W.F.**

**Muhammad** was the comforter who came with the expected Elijah, *Malachi 4:5*, who must come before **Yahweh** “*Living One*”, Allah in flesh and these are from 2000 A.D. the great and dreadful days of the Yahweh “*Living one*” the Allah of this day and time, the ancient of days, **Munbab: Yaanuwn**. G-D in flesh and orthodox Islam confirms he would be seen in the physical in the days of the Adamites judgement مَالِكِ يَوْمِ الدِّينِ **Maaliki Yomid Diyn** “*owner of the day of judgement*”

By *Habali Ibn Batta (d.334-945)*, he stated:

It is necessary then to know that Allah, on the day of resurrection will appear to those of his servants that trust. They will see him, and Allah will see them. Allah will speak to them, and they will speak to him. Allah will address them and greet them. Allah will even laugh with them. Also recorded in their Sunna and Hadith is to be found by Al Bukari, Muslim and Ibn Hanbal narrated by Abu Said Al-Khudri. These words were said: “O Allah’s Messenger! Will we see our Rabb “master” on the day of resurrection?” He said, “Do you all have any difficulty in seeing the sun and the moon when the sky is clear?” We said, “No.” He said “So you all will have no difficulty in seeing your Rabb “master” on that day as you have no difficulty in seeing the sun and the moon (in a clear sky). The prophet then said, “Somebody will then announce, ‘let every nation follow what they used to worship’ so the companions of the cross will go with their cross, and the idolators [will go] with their idols, and the companions of every deity (false deity) [will go] with their deity until there remains those who used to worship Allah, both the obedient ones and the mischievous ones and some of the people of the scripture. Then he will be presented to them as if it were a marriage.

**Question:** So, the Arabic speaking Muslims know the truth that Allah is a physical person who comes from time to time?

**Answer:** Yes, and I’m right here right now in the flesh.
